Whilst on Dream Placement, students may be given a task or project to complete for their host company. Describe the 3 benefits that you could bring to a placement that will be of value to completing this task or project. For example, these could be types of skills, experience, knowledge, attitudes, or behaviours. (Max 100 words)

Dream Placement includes opportunities for everyone applying to learn more about themselves and develop skills. Please tell us what skills you would like to develop and how you think Dream Placement will help? (Max 100 words)

Dream Placement includes opportunities for everyone applying to learn more about themselves and develop skills. Please tell us what skills you would like to develop and how you think Dream Placement will help? (Max 100 words)

Dream Placement provides opportunities to speak with employers and apprentices about study pathways and the breadth of careers available across Cumbria. What information or advice would be useful for you right now? The more we know about your aims and ambitions, the more we can signpost the right sorts of opportunities and advice. (Max 100 words)

Where do you see yourself in 5 years' time and why do you think a Dream Placement will help you achieve your goals? (Max 100 words)

Is there anything else you would like to tell us to support your application? This is your opportunity to tell us what makes you stand out from the crowd. For example, what are you most proud of/what have you achieved/what challenges have you overcome? (Max 100 words)
